

ROOKIE RUGBY

ELEMENTARY THREE DAY PLAN

BEFORE YOUR CLASS SESSION:

- Overview and refer to lesson plan on pg. 2 to keep class fluid and to assure you explain all key points and a brief history of the sport.
- Have at least one rugby ball per five students for the class (size 3 or 4 rugby balls are recommended for this age group).
- Wear any rugby apparel or accessories you may own.
- Set up the pitch(s) to appropriate dimensions for the class size.
- Become familiar with a rugby ball and its key differences to a football.
- Provide students with a brief history and overview of rugby.
 - Rugby 7's is the newest Olympic sport
 - Birthplace: Rugby, England
 - Rugby was the predecessor to American Football

PASS AND CATCH THE RUGBY WAY:

Catch - Hold your hands up in front of your chest, with your thumbs together and fingers spread wide, forming a 'W'. This means you are ready to catch the ball. Only pass to players with their W's up, ready to catch the ball.

Pass - In rugby we pass across our bodies. The rugby pass is an underhand pass similar to scooping or shoveling (demonstrate).
